

L'ÉTÉ DU VIN PAST GUESTS OF HONOR

Over our 44-year history and tradition, l'Été du Vin has been honored to host the world's leading and most respected wine professionals. Acclaimed château and winery owners, winemakers, wine educators, celebrities and entertainers have all participated in our world renown wine events and become a part of the l'Été du Vin and our Nashville family. l'Été du Vin is proud to be America's longest running charity wine event.

We want to thank all those Guests of Honor who have graced us with their participation, generosity, friendship and support for our important mission. Together, we do make a difference!
